SUBJECT: CL 1071021

1. At the end of my shift at 1800hrs on 06Aug14 I placed my duty belt (that contained two magazines each containing 15 rounds of 9mm ammo) in my locker and secured my locker with a master key lock. Upon returning to my locker on 11Aug14 at 0900hrs I grabbed my duty belt at which time I noticed the belt to be very light. I then noticed that the two magazines that were on my duty belt when I placed it in the locker were no longer there.
- 2 I do have my own locker. Locker #172
3. No other person has access to my locker.
4. I had a key lock.
5. The lock was not cut and upon returning to my locker it showed no sign of damage or pry marks.
6. There are no witnesses to the theft.
7. No other property taken besides the two magazines containing the ammunition.
8. No an E.T. did not process my locker.

This statement is not being given voluntarily, but under duress. I am only giving this statement at this time because I know that I could lose my job if I refuse the direct order being given to me, by IAD Sergeant James Baier#879. This To/From report should not be considered a verbatim statement but only a summary of requested information.

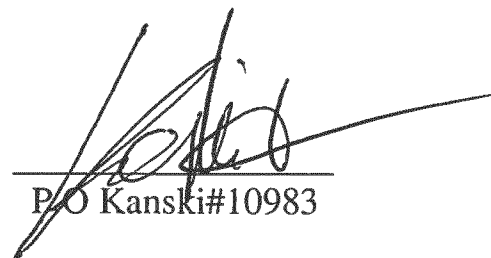

R/o is responding to all questions that were addressed in this complaint register investigation.

On 10th of August 2014 R/O Kanski#10983 after finishing his tour of duty at 0300 hrs locked his locker with master lock key lock. On 15th of August 2014 R/o returned from his RDO'S and discovered that said equipment in question is missing from his locker and said locker was still secure with a lock. R/O Doesn't share his locker with anyone else and locker number is #297.

No one else has access to R/O'S Kanski locker, and said lock is a key lock. There was no damage to R/O kanski locker and there were no witnesses to this incident. R/O'S requested E.T. to process a locker and duty belt, and beat #5835, E.T. Poradzisz #8689 arrived and process said items.
